Thank you for the email.

In reference to early termination, pursuant to 18 U.S.C. § 3564(c), courts are permitted to terminate probation in misdemeanor cases at any time or probation in felony cases after one year, if such action is warranted. The District of Maryland Early Termination Policy requires persons under supervision must have completed at least 50% of their supervision period prior to being considered for early termination. Therefore, at this time, our office is unable to forward a request on your behalf as you have not reached the halfway point.

As we discussed, you are in compliance with the conditions of your Supervised Release and have had no issues of non-compliance.

In reference to overseas travel, we have no objections as long as your assigned officer is made aware of all travel details and that you follow any instructions regarding such travel.

Thanks again.

Kimberly Smith  
U.S. Probation Officer  
District of Maryland
